

GWALIOR GLORY HIGH SCHOOL
INTEGRATED EXTENDED LEARNING ACTIVITIES
CLASS - VIII
(During Winter Vacations)

THEME : GREEN BRIGADE

Afforestation is necessary to save the planet and check the destruction of ecosystem. As a green brigade of conscious citizens, each one of us needs to join hands to make the earth prosper in greenery.

ENGLISH

Saving the Environment is the dire need of the hour and Afforestation is the best solution to it. Write five slogans on A-4 size sheet in order to spread awareness among people to plant more and more trees and preserve pure air for the coming generations.

HINDI

प्राण वायु हो रही कम,
वृक्ष लगाएँ हम।

आधी चार्टशीट पर दो स्लोगन लिखकर लाएँ एवम् कक्षा में प्रस्तुतिकरण करें।

MATHEMATICS

Calculate the decreased percentage in the forest area of India in the last 10 years,

[To be done in A-4 size sheet]

SCIENCE

Take a potted green plant and cover one of its branch with transparent polythene and tie it properly. Leave it for a day and observe the changes in polythene. Note down the changes. Now do not water the plant for few days and observe the changes in the polythene again. Write the reason behind these changes in Science notebook with the photograph.

SOCIAL SCIENCE

Show the arable land of 2008 and compare it with arable land of 2018 on the Political Map of India.

HAVE A WONDERFUL WINTER BREAK!
