IMPORTANT TIPS REGARDING EXAM

- Set a study time-table of your own and follow it.
- Do not study for long hours without a break. Taking short breaks can actually improve your performance.
- If you are weak in a particular subject, give preference and more time to that subject and practice in writing after learning.
- Sleep early and wake up early.
- Have nutritious food and drink plenty of water.
- Avoid eating oily and junk food.
- Go through the date-sheet properly and prepare for exams accordingly.
- Parents can download the sample papers of all the subjects for Classes I to V from MCB for written practice.
- Students must read the chapter properly as questions from between the chapters can be asked in exams.
- Students to read question carefully before writing the answer. Revise the paper at the end to ensure that no question is left unattempted.
- If you do not know any answer then attempt it at the end. Do not waste time as you have the time limit to attempt the question paper.

For queries related to the following, Parents can call on the given numbers.
