TIPS FOR STUDENTS

- Be regular in your work and submit the Assignments, Projects, Notebook etc, promptly.
- Set a **time table** for **yourself**, it will help you manage time.
- Take **nutritious food** and **drink plenty** of water to rehydrate
- Have at least 6 to 8 hours of sound **sleep** at **night**. **Sleep well, especially on the night before the exam.**
- **Do not** mug up **answers, understand** and learn. Answer questions from the given question banks for better understanding.
- **Make small notes for brief revision.**
- **Avoid heavy meals** and be an early riser.
- **Be confident** and if you are **restless**, take deep breaths, it will do **wonders** for you.
- While **studying** at **home**, set a time limit to write a particular **answer** and see that you **complete** that answer within the **set time**.
- **Check** the **exam time table**, before you prepare for your exams.

TIPS FOR PARENTS

- Talk to your child so that he / she shares any of his / her problems with you.
- Support your child while preparing for Exam.
- Avoid giving heavy and **oily food** to your child during exams.
- Kindly **ensure** that **books** are **sent to school** according to the **Time-Table**.
- Make sure that your child attends classes regularly.
- Be regular to the PTM and get feedback about the child.
